

TRAIN TO BE A MACHINE OPERATOR

GUARANTEED JOB IN 8 WEEKS*

Over the past eighteen years, the Institute for American Apprenticeships has educated and employed over 1,600 individuals in the healthcare, information technology, advanced manufacturing, and business services fields. We are accepting applications for our newest advanced manufacturing program in Franklin, Kentucky. The program offers eight weeks of training at no cost, and immediate full-time employment and apprenticeship as a Machine Operator with Vermont Thread Gage (up to 12 full-time positions) upon successful completion.

- ✓ Enrollment in a Registered Apprenticeship
- ✓ Performance-based increases
- ✓ Full benefits, including health, dental, paid vacation, 401k, and more
- ✓ No cost to participate for qualified residents

** Full-time employment guaranteed upon successful completion of the 8-week program.*
